# Bereila BCMK push-button dispensers

## *Quality with benefits*

**The Bereila BCMK push-button dispensers are designed as inexpensive high quality dispensers for catering and food services. Ideal for efficiently serving cold sauces from pails, cans and jars.**

### Maximum ease of use and hygiene

The BCMK push-button dispensers are largely made of food-grade plastics and high-quality stainless steel components. They feature a long life cycle, outstanding ease of use and high efficiency.
The Bereila push-button dispensers are light and easy to operate. The pumps are easy to disassemble and are easy to clean.

### Broad range

The BCMK dispensers are available as lid dispensers for round pails of 3, 5 and 10 litres, and also for jars and jerry cans. Variants and alternative sizes are available on request.
