Bereila Combiset

Combine quality

The Bereila Combiset is the professional food service dispenser for the professional kitchen or for your kitchen top. The Combiset consists of a high-quality stainless steel container with a Bereila sauce dispenser. It is ideal for smoothly and hygienically dispensing your sauces.

Durable and hygienic

The Bereila Combiset is available as standard with the stainless steel NEOdis lever dispenser, but also with the plastic BCMK push-button dispenser. Available in a 3, 4 and 6 litre version. Both types feature a long life cycle, great ease of use and optimum hygiene. Bereila dispensers are light and easy to operate, and they are easy to disassemble and clean.

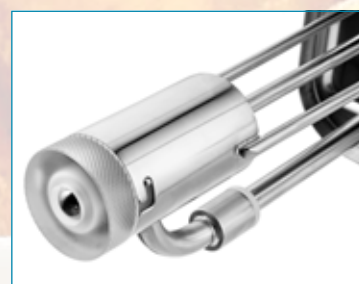

NEOdis

The Bereila NEOdis dispenser is the highest quality dispenser in the Bereila range. Made entirely of stainless steel, including the pump casing, solidly built and durable. The NEOdis dispenser is covered by a 36-month manufacturer's warranty!

NEOdis
