# First Class dispenser

*The top of the range  
lid dispensers*

**Bereila's First Class dispenser from Bereila is considered the absolute top of the range among lid dispensers.**

**This unique sauce dispenser has been especially developed for thick emulsified sauces such as mayonnaise, Dutch 'fritesaus', garlic sauce, remoulade sauce, ravigote sauce and others.**

## **Maximum emptying**

The special cover disc rests on the sauce and goes down smoothly and evenly as the sauce is used. Up to 98% of the pail is emptied. Having to transfer sauce or unnecessarily throw away residues is consigned to the past.

## **User-friendly and hygienic**

The Bereila First Class dispenser is made entirely of stainless steel, including the pump casing. It has a firm, durable structure. Solidly built, light and smooth to operate. The Bereila First Class dispenser is

easy to maintain. All parts are easily accessible and can be cleaned quickly and easily.

The First Class dispenser is supplied as standard for 5 and 10 litre pails. Also available in different sizes and designs on request.

## **Quality for professionals**

The Bereila First Class dispenser stands for quality. Bereila therefore gives a 36-month manufacturer's warranty, which covers material and structural faults.

*\*) The warranty does not cover wearing parts such as O-rings and springs.*
